RULES & RECOMMENDATIONS

- The registered support boats can only be used for training, racing and rescue purposes, other use is strictly prohibited by law.
- The registered driver(s) of a support boat will be responsible for the control of the boat at all times and will be held responsible for any inappropriate behaviour or dangerous actions, or actions affecting the fairness or safety of competition.
- A support boat may support no more than ten boats entered.
- Each support boat is strongly recommended to carry a VHF radio on board.
- Each support boat driver and each crew member on board shall wear a personal flotation device at all times while they are afloat with the engine of their support boat running.
- It is strongly recommended that the kill cord is used at all times when the engine is running.
- The use of drones by support boats is prohibited.
